b. [REDACTED] see detente as providing some flexibility without facing the consequences;

c. That at least up to this point, the aid cut-off has not yet impacted on them to the extent of requiring more flexibility;

d. And their pride is also a strong factor.

6. Mr. Brademas viewed certain statements by Secretary Kissinger including one that [REDACTED] had been informed that the assistance ban would be removed by 15 July 1975, as counterproductive to the "end" sought by the aid cut-off.

8. There is one follow up item for Mr. Sarbanes concerning the extent of cannibalization of [REDACTED] military equipment.
